

Hi there,

Rebranding our viral rebrandable report for IM Buzz Software will take you less than one minute.

Here's what you need to do:

Step #1. First double click on the installation .exe file and install it.

Step #2. Next open the file which you've installed. Click on Load Branded PDF button and all the custom variables and you'll see all the rebrandable values.

Step #3. Enter your own values under the 'custom values' field.

What to enter?

a) \$\$your-name-here\$\$ - Just enter your full name

b) \$\$your-website-url\$\$ - Enter your own website url. Do NOT include the 'http://'. Eg, just enter www.imbuzzcreators.com

c) \$\$APV-affiliateid\$\$ - Enter your affiliate ID for APV. Note, you just need to enter your affiliate ID and not the entire link. For instance, if your affiliate link is <http://www.affiliatepowervideos.com/?vip=2>, just enter '2'. To check your affiliate link, you can login at <http://www.affiliatepowervideos.com/login.php>

d) \$\$IMBuzzSoftware-affiliateid\$\$ - Enter your affiliate ID for IM Buzz Software. Like above, you ONLY need to enter your affiliate ID. Eg. If your affiliate link is <http://www.imbuzzsoftware.com/?afid=4>, enter '4'. If you do not have an IM Buzz Software account, just create one [here](#). To check your affiliate link, login to your IM Buzz Software account [here](#).

e) \$\$clickbankid\$\$ - Enter your Clickbank ID (or nickname). Eg. 'imbuzz'. If you do not have a Clickbank account, just create one [here](#).

Note: If you leave any of the values blank, it will simply be replaced with the default values.

Step #4. Click the Save Rebranded PDF button. All values inside the PDF file will now be rebranded with yours.

Step #5. The PDF file will be created inside the folder you've selected and is ready to be given away.

That's it!
